Profile

A fast and enthusiastic learner, who is excited to begin their career in Software Development. With an intermediate knowledge in Web Development utilizing HTML, CSS, and JavaScript, I am ready to jump in head first and learn the skills required for this position.

Employment History

IT Services Division Intern **2023-2024**
State of Missouri **Jefferson City, MO**

- Supported the Web Management Team, managing the State's static sites.
- Edit and update page content and slides, utilizing the State's FTP to update various documents.

Assistant Band Director **2022-2023**
Helias High School **Jefferson City, MO**

- Applied educational and management skills to a group of 20 high schoolers.
- Conducted private lessons with two students to teach them advanced techniques in percussion.

Various Employers **2016-2023**

- Practiced customer service and time management skills as a skilled laborer.
- Maintained part-time employment throughout undergraduate degree, balancing school work and additional extracurricular activities.

Projects

Media Database Project, MySQL & PHP:

My final project for my Advanced Database course was to create a simple Media Database, and use php to make changes to the Database.

Rock Paper Scissors, Swift:

For a final project in our Swift/iOS mobile class, we were tasked with creating a Rock Paper Scissors app. I decided to add a couple of features such as Text changing, and making Game states Best of Three's.

Education

Associate of Applied Science **2022-2024**
State Technical College of Missouri **Linn, MO**

Courses in Computer Science, Music Education **2018-2021**
Truman State University **Kirksville, MO**
